Fundraising Program Terms:

Anyone may use your School Coupon Code with the purchase of any ZÜCA product on the ZÜCA website "www.zuca.com" until September 30th 2009. Following the end of each month, ZÜCA will calculate ZÜCA product sales on the website associated with your School Coupon Code. A check and a sales ledger will be mailed to your school for the rebate amount earned. Payments are made prior to the end of the following month. The school will receive a debit memo for the rebate amount associated with any products returned to ZÜCA on a ZÜCA RMA (Returned Material Authorization) and such debit memo will be applied to the next rebate payment, or must be paid in full within 30 days of receipt. Purchases from retail stores, other websites, or anywhere other than the ZÜCA website using your School Coupon Code are not eligible for a rebate within this program. Your purchases on the ZÜCA website must include the School Coupon Code to be eligible for the rebate. No other sales program, rebate, discount, or special offer may be combined with School Coupon Code sales.

I have read and accept the terms of this program:
